

Gravity Bag Water Filter

(Model: PF511)

Pure Easy Siphon Water Filter **PF511** provides up to **7000 liters** of safe (exceeds USEPA standards), drinkable water at **6 liters per hour**. PF511 is easy to assemble, use and maintain and is compatible with C1 common interface. Its patented ceramic membrane cartridge provides laboratory certified filtration effectiveness of **6 log (99.9999%) bacteria reduction**. This filter is great for outdoor travel, disaster relief and humanitarian aid.

Specification

Removes	99.99% bacteria 99.99% Protozoa cyst 99% Turbidity
Dimensions	19 × 19 × 58cm
Source of water	Fresh water
Capacity	7000 L
Flow rate	6L/hr
Weight	420g
Material	TPU, ABS plastic, Ceramic, NMC

Gravity Bag Water Filter PF511

Features

- Up to 7000 liters of laboratory certified safe drinking water
- Easy to maintain filter cartridge
- Durable TPU bag material
- 10L bag volume
- C1 common interface compatible design

Patented Multi-stage Filter

- Ceramic filters out sediments, rust, suspensions, solid particulate matter and microorganisms
- NMC filter media removes heavy metals, residual microorganisms, and organic chemicals

Laboratory certified performance

- 99.99% bacteria removal
- 99.99% protozoan cysts removal
- 99% turbidity removal

- 0.1 micron ceramic cartridge
- Removes heavy metal ions
- Removes organic chemicals
- Improves taste

Using Instructions

- Fill the bag with water from any fresh water source (lake, pond, river, puddle) and wait for water to come out from the output hose.
- Clean the filter cartridge surface with clean water and apply the provided abrasive paper if visible buildup is present.

Replacement Filter

- Filter cartridge needs to be replaced after its **7000L** capacity is reached.
- Recommended replacement time is **10 months** of frequent use
- Seek replacement filter is any breakage, cracks, or holes appear on the ceramic surface

Replacement cartridge for **PF511**

Packaging Dimensions	
Inner packaging	PVC fiber bag
Packaging size	12 × 16 × 32cm
Outer carton	66.5 × 37 × 31cm
Pieces per carton	12
Carton weight	7.5kg
